the following was received:

Dear Pastor Senness:

I am writing this note for my mother, Zelma Dillingham, as she is no longer able to write more than her name and a very few words at a time now. Age, she is 83, and Parkinson's Disease have taken their toll.

Mother wanted to send you her check, which is enclosed, to be used in placing Altar Flowers one Sunday in memory of Emil & Amanda Mollan. They were close and dear friends to Mother all the years she was a member of the Holy Communion family. If the full amount is not needed for flowers, please use any amount remaining as you see fit. Count it as a thank you for continuing to send your newsletter to her. I can't express how much enjoyment she gets from it and how she looks forward to its arrival.

For her it is news from home. And Holy Communion Church was a beloved home to her - all of us - for so many years. It was there that I was confirmed and married. Our first child was baptized there. And there later that my father was instructed and confirmed before he passed away in 1961. And so it is that we remember those years in our home parish with lasting affection.

Since Mother came to California she has been a member of First Lutheran Church in Fullerton, our home church for many years now.

God Bless you in your ministry at Holy Communion. I send my greetings along with Mother's, to you all "at home".

Sincerely,

Betty Dillingham Johnson

We wish to thank each and every one who attended our Open House on March 3rd. Also to those who sent cards and gifts and were unable to attend. It was a beautiful turn-out in spite of the bad weather. A special thanks to Pastor Senness and Mrs. Senness and to the women who did the catering. It was really beautiful.

A saintly-looking old fellow was running to catch his bus. Just as he appeared to be winning the race, the bus driver, with a fiendish smirk, pulled away from the curb and the wheels splashed a shower of muddy water over the old man.
Softly, this kindly one murmured, "May his soul rest in peace." Still more softly he added, "And the sooner the better."
